Meet... Mocha!

I came to PHS early January at just 10 mos. old and I was pregnant. I cared for and raised my two children who found their forever homes before they even made it to the cat room. Anytime anyone came to visit, it was my kittens that got the attention. Because of this, I would love to be the only fur baby in the home and get that kind of love and attention too. I sit by the door each day and wait for my forever family to walk through it.
