Meet... **Lloyd!**

I am only 6 years old. Although I look like an older gentleman, I am only 6 years old but I was not given the love and attention I deserved. But, I am the BEST boy when it comes to getting a little TLC. Honestly, I will roll over for anything! Belly rubs are my absolute favorite thing in the world! I can't see very well, so it may take me a little while to get my bearings, but I am so eager to learn (and very treat motivated). I truly have so much love to give and just want to be best friends with anyone and everyone.
